Third party testing conducted and results provided by SGS TEC Services in accordance with ASTM and ANSI standards

Clients are responsible for hiring a skilled installer that has experience in installing and sealing terrazzo tiles. Based on the product specifications and ratings provided above, consult with a licensed contractor or installer regarding the application of these tiles in your specific project and site conditions prior to installation.

Each piece of terrazzo tile is made by hand, and subtle variations in color, shape and thickness are to be expected. Clients should reference Terrazzo Tile Installation Instructions for additional details.
