Breaking Strength | ASTM C648 – coming soon

Absorption | ASTM C373 – coming soon

Third party testing conducted and results provided by SGS TEC Services in accordance with ASTM and ANSI standards

Clients are responsible for hiring a skilled installer that has experience in installing stone tiles. Based on the product specifications and ratings provided above, consult with a licensed contractor or installer regarding the application of these tiles in your specific project and site conditions prior to installation.

Significant color variation and imperfections are inherent in natural stone and should be expected in limestone tiles.
